Vice President, Economics

May, 1980

ERRATA

Two misprints appear on Table I in the Safety & Health report. The fourth column on Table I should be headed "Planned 1981-83, Average Annual Expenditure," not "Planned 1983" as was printed. The fifth column is the percent change from 1980 to the 1981-83 annual average expenditures, not percent change 1981-83.
